Product Sheet

WorkFit-T Sit-Stand Desktop Workstation

Highlights

For Computer Users

- Enjoy standing or sitting as you work, switching positions whenever you choose. This work style encourages healthy movement throughout the day
- Easily and simultaneously lift LCD screens to proper height for unsurpassed ergonomic comfort

For IT and Facilities Staff

- IT deployment friendly—convert most work areas into a productive and complete computer workstation in minutes
- Modify existing office spaces or cubes by simply adding a WorkFit-T to an existing worksurface, without the cost of expensive professional installers
- Safe and neat routing of cables
- Flexible, open-architecture design is scalable for future computer equipment

For HR and Company Cost Savings

- Promote wellness in the daily work routine
- Provide standing work platforms for employees without having to buy expensive height-adjustable chairs

Sit-stand for wellness and productivity

Sitting for long hours in front of a computer at work? Presenting WorkFit–T, the desktop workstation that promotes proper ergonomic positioning and inspires an on demand sit-stand work routine. This height-adjustable unit offers 15 inches (38,1 cm) of vertical height adjustment. Designed to help workers counteract the harmful effects of increasingly sedentary life and work styles, the WorkFit–T encourages healthier movement throughout the day.
